

PARKSIDE DECKING

Forest Reds

A rich blend of reds that range from reddish browns to soft salmon pinks predominately Queensland Eucalypts Terticornis, Forest Red Gum, Red Ironbark and Grey Gum.

The high density of Parkside's Forest Reds makes it a very hard wearing timber, suitable for decking applications. Its lustrous texture adds a richness and depth to any application, whether residential or commercial.

Parkside 86 x 19mm and 135 x 19mm Forest Red Decking are in stock now and available for delivery.
